Teatro Greco - Taormina

TAORMINA

Sicily's prime tourist resort was discovered by the British aristocracy in the mid 1800s. Facing Etna and the blue Mediterranean, this peaceful panoramic resort, 206m above sea level was colonized by the Greeks who built a theatre in the Hellenic period – 4B.C. The present Teatro Greco, altered by the Romans, is the venue for classical plays every summer. The main street, the elegant Corso Umberto, with its cafés, restaurants and boutiques is a bustle of nationalities.

MT. ETNA

The largest and most active volcano in Europe. The climb to the crater takes us through picturesque villages and an ever changing landscape. The lower slopes of the volcano are extremely fertile with groves of oranges, lemons and other Mediterranean flora and of course vines which produce Sicily's best wines.

We go through forests of chestnut trees which gradually give way to oak, beech, birch and pine.

Every: Monday | Wednesday | Friday | Sunday

Every: Friday | Sunday

DEP. MLA 06:30 ARR. POZ 08:15

DEP. POZ 21:30 ARR. MLA 23:15

This excursion is only held with a minimum of 8 participants.

HIGHLIGHTS & INCLUSIONS

- Arrival at POZZALLO, met by fully air-conditioned coaches, accompanied by guides.
- Departure for Scicli with running commentary by the guide.
- SCICLI - a dreamy little town under 30 minutes from Pozzallo. In the TV Series Scicli is "Vigata", where the Commissario has his police station; Montalbano's immediate superior, Comm. Bonetti-Alderighi has his Montelusa Headquarters a few minutes away in the Municipio, the townhall and office of the Mayor of Scicli.
- Departure for lunch (set menu), included in the price in the lovely town of MODICA, in medieval times an all important city, in fact a state within a state. Modica, like Ragusa, is built on two levels, with quaint houses perched on the hillside in between. The upper Modica Alta is the modern commercial centre while Modica Bassa, the old city centre, with Rosario Gagliardi's Duomo (Cathedral) di San Giorgio towering above it, lends splendour to the series. Gagliardi is recognised as the foremost architect of Sicilian Baroque.
- Departure for RAGUSA, the Capital City of the Province. The lower town, Ragusa Ibla, plays a major role in the series with many and diverse scenes coming from the city and its environs. The Piazza Duomo, with another Gagliardi's masterpiece, another San Giorgio, features often. Just down the road is the Circolo di Conversazione (freely translated - Conversation Club). Look out for A Rusticana, that's the Inspector's Trattoria San Cologero.
- Departure for Il Castello di Donnafugata (entrance not included) residence of Mafia Boss Balduccio Sinagra. Formerly the residence of Baron Corrado Arezzo de Spuches who added various architectural styles, including the Venetian Gothic Loggia, to the original 17th century building. It passed to the Provincia di Ragusa in 1982
- Departure for Inspector Montalbano's home in "Marinella". Marinella is in fact the seaside town of Punta Secca, a fishing village and seaside resort. The "casa di Montalbano" is right on the seafront, actually a B&B, with an unobstructed view of the blue Mediterranean.
- Our final stop is to take a look at Montalbano's Mannara in Sampieri, a derelict brick factory that goes by the name of Fornace Penna (Furnace).
- Departure for Pozzallo with a running commentary by the guide.
- Departure by High Speed Catamaran at 21.30 hrs for Malta.
- Adults / Children **€167.00**.
- Children under 4 years FREE of charge. To pay local transport only.

- Schedule and fares are valid at time of print. Please check our website for any updates/changes.
